

IMPORTANT INFORMATION FOR YOUR ATTENDANCE

It is our highest priority to protect the health of us all. For this reason, we are implementing all necessary Covid-19 preventive measures.

The event will take place subject to the legally or officially mandated Covid-19 regulations at the time it is held. We will inform you in time, shortly before the congress, about the current regulations and about the requirements to wear a face covering or FFP2 mask.

The organiser reserves the right at any time to take additional safety measures (e.g. wearing a face covering or FFP2 mask in the venue and/or lecture room, stricter access rules, access only with PCR test, fixed seat assignment, a.o.) which are equally mandatory for attendance of the event.

Before attending the congress, please check the current regulations and required means of verification that you are not infected (evidence of vaccination, a recovery or a test) as well as any entry regulations on:

<https://www.sozialministerium.at/en.html>

When registering on-site, please have a photo identification ready and allow for some waiting time.

During the congress, please comply with the general hygiene rules.

Thank you in advance for cooperating. We look forward to welcoming you at the conference.
